Where your cover applies

The cover shown on the **Schedule** to this policy applies throughout the **United Kingdom** and when **Your Car** is in transit within the **United Kingdom** or between ports in the **United Kingdom**.

In addition this policy gives the minimum cover required by law to use **Your Car** in:

- any country which is a member of the European Union (EU);
- any other country which the Commission of the European Union approves as meeting the requirements of Article 7(2) of the European Union Directive on Insurance and Civil Liabilities arising from the use of motor vehicles (No.72/166/CEE).

Please call the **Administrator** for clarification.

Travelling abroad - what to do

If **You** are going to use **Your Car** abroad and want **Your** full policy cover, contact the **Administrator** to confirm the dates **You** will be travelling and the countries **You** will be visiting.

If **You** intend to tow a caravan or other trailer please have details to hand as they may need to be shown on the Green Card that **We** may need to issue.

When **We** send **You** a Green Card **We** will extend your policy cover for foreign travel for up to 90 days in any one **Period of Insurance**.

We will make an administrative charge for each Green Card or confirmation that the policy cover has been extended.

We will also provide cover while **Your Car** is being transported by rail, air, inland waterway, the Channel Tunnel or by a recognised sea route to any country where this insurance operates and the journey time does not normally exceed 65 hours.

Making a Claim

If **You** need to make a claim, phone the Customer Claim Line telephone number shown on the back cover of this policy.

Four important points to help you after an accident:

- make a note of the registration number of any vehicles involved, and any witnesses;
- do not admit responsibility;
- ask for the names, addresses and telephone numbers of all people involved and details of any property damaged;
- if anyone other than **You** is injured in the accident, **You** must show **Your Certificate of Motor Insurance** to the police. If **You** cannot do this at the time of the accident, take it to the police as soon as possible or within 24 hours.

No Claim Discount

If nobody has made a claim against this policy during the current insurance year, **We** will give **You** a discount according to the current scale at the time of renewal of this policy.

If **We** make a payment that **You** cannot get back from another person, **We** will reduce **Your** no claim discount even if **You** were not to blame.

No claim discount will be reduced in accordance with the **Insurer** scale applicable at such a time and shown on the **Schedule**.

Your no claim discount will not be affected in the following circumstances:

- if **You** only claim for a broken windscreen or windows;
- if **We** only have to pay an emergency medical treatment fee.

You cannot transfer **Your** no claim discount to someone else.

If more than one car is insured under this document, **We** will treat each car separately for the purpose of **Your** no claim discount.

Protected no claim discount

Please see **Your Schedule**.

Conditions

Cancelling your Policy

The **Administrator** or **We** may cancel **Your** policy by giving **You** 7 days' notice by letter to **Your** last known address.

14 day 'cooling off period'

If **You** wish to cancel this policy within 14 days of receipt of the policy documents **You** may do so by calling or writing to the **Administrator** and returning **Your Certificate of Motor Insurance**.

Where this happens **You** will receive a proportionate refund of the premium paid for the unexpired portion of the period of cover less any agreed charges detailed in the **Administrator's** terms of business, unless a total loss claim has been reported and then the premium in full must be paid.

If this policy is cancelled following a total loss of the insured car, and the premium is being paid by installments, **We** may deduct the outstanding balance (including interest charges) from the claim payment. If payment is made to the owner of the car **We** will collect separately from **You** the outstanding monies.

Cancellation after 14 days

A proportionate refund of any premium paid (less agreed charges) will be allowed providing that:

- you have not claimed in the current **Period of Insurance**; and
- **You** have paid the premium in full; and
- **You** have returned the **Certificate of Motor Insurance**.

If **You** or **We** cancel this policy and there has been a total loss claim during the current **Period of Insurance** and the premium is being paid by installments, the outstanding balance including interest charges will become payable by **You**.

If You miss a premium

If **You** do not pay a premium on the due date the Administrator reserves the right to declare **Your** policy cancelled as from that due date. In this context 'due date' will include the date upon which a premium installment was due.

Claims Procedure

You must:

- notify **Us** of any accident and provide **Us** with full details as soon as possible;
- send **Us** any correspondence **You** receive (including any writ or summons) without delay and unanswered;
- tell **Us** about any future prosecution, coroner's inquest or fatal accident inquiry involving anyone covered by this policy;
- not admit responsibility or make any offer or promise without **Our** written permission;
- co-operate fully with **Us** on all matters concerning the handling and settlement of any claim.

We will take over and defend or settle any claim or take proceedings at **Our** own expense and for **Our** own benefit to recover any payment **We** have made under this policy.

Arbitration

If a claim has been accepted but there is disagreement over the amount to be paid, **We** may refer the matter to an arbitrator in accordance with statutory provisions. The arbitrator must decide on the amount before **You** can start legal action against **Us**.

Right of recovery

The law of any country in which this contract applies may make **Us** pay amounts which are not covered by this **Contract**. **You** or the person responsible must refund these amounts.

Law applicable to the contract

You and **We** are free to choose the law applicable to this **Contract** but in the absence of agreement to the contrary the law of the country in which **You** are resident at the time of the **Contract** will apply. If **You** are not resident in the **United Kingdom**, the law which will apply will be the law of England and Wales.

Other insurance

If **You** have other insurance which would cover a claim made under this policy, **We** will only pay **Our** share of the claim. This does not apply to Personal Accident under Part 7 of this policy.

Looking after your vehicle

You must take all reasonable precautions to:

- prevent injury, loss or damage; and
- keep **Your Car** in a roadworthy condition.

When left unattended, **Your Car** must be locked and secure and the ignition key removed.

If **You** do not do this, **We** may not pay a claim.

Provisional licence

When **Your Car** is being driven by a provisional licence-holder they must meet all the conditions of the licence.

Changes to your details

You must tell the **Administrator** immediately if there are any material changes during the **Period of Insurance** that might affect **Your** insurance. These include:

- **Your** job (including details of any part-time occupation);
- **Your** address or the address where **You** keep **Your Car**;
- what **You** use **Your Car** for;
- any modifications to **Your Car**.

This is not an exhaustive list and if **You** are in any doubt, please contact the **Administrator**.

A charge for any change to **Your Contract** will be made.

- **You** do not make a profit from the total amount paid for the journey.

Changing your car

If **You** replace **Your Car** or get an additional car **You** must tell the **Administrator** immediately because the only car covered by this policy is the one **You** told **Us** about and **We** accepted, as shown in **Your** current **Schedule**.

Keeping to the terms of this policy

We will only give cover under this policy if:

- any person claiming under it has met all the conditions in the **Contract** in so far as they can apply; and
- the information given and the declaration accepted on the **Proposal Form** or **Statement of Insurance** are complete and correct to the best of **Your** knowledge and belief.

Governing law

We will not be liable for any proceedings or judgement made in any court outside the **United Kingdom**, unless the judgement comes from a court of a foreign country to which **We** have agreed to extend cover.

Hire Purchase

If, to **Our** knowledge, **Your** car is subject to a hire purchase or leasing agreement, any payment will be made to the owner described in that agreement whose receipt will be a full and final discharge to **Us**.

Car sharing

This **Contract** covers **You** using **Your Car** for carrying passengers and receiving money for social or similar purposes as long as:

- the car does not carry more than the permitted number of persons for the car to operate safely; and
- the passengers are not being carried as part of a business; and

If the **Member** wants to cancel at any

Your Questions Answered

This does not form any part of the policy and is for peace of mind only.

I am at the scene of the accident - what do I do?

- a) *Note the registration number of the other vehicle(s) involved.*
- b) *Ask the names, addresses and telephone numbers of the other people involved and any witnesses. Also ask for the name, address and policy number of the other party's insurer.*
- c) *Make a sketch plan of the scene of the accident and make a note of the road name, and the address of any property that has been damaged.*
- d) *Do not admit responsibility or sign any statement to this effect. It is appreciated that due to the circumstances of the incident this may cause offence to the other party involved. **Your** best response is to state that **Your** insurance policy prohibits **You** from admitting liability without **Your** Insurer's written agreement.*
- e) *If the accident results in damage to another vehicle, an animal or other*

property, to comply with the Law **You** must stop and give **Your** name and address, and registration particulars of the vehicle (along with the owner's name and address, if different) to anybody requiring the information.

- f) If anyone other than yourself is injured **You** must show **Your Certificate of Motor Insurance** to the police or to any other person reasonably asking. If **You** cannot do this at the time of the accident, report the accident to the Police as soon as possible and, in any case, within 24 hours.
- g) If **You** have caused damage to another vehicle or property, **You** must also show **Your Certificate of Motor Insurance** to any person reasonably requiring **You** to do so.

My vehicle is disabled - what should I do?

If **Your** cover is Comprehensive the reasonable cost of removal of **Your** vehicle will form part of **Your** claim against **Your** Insurer, subject to the deduction of an **Excess** applicable. If, however, **You** do not have Comprehensive cover then **You** must make **Your** own arrangements to have the vehicle removed at **Your** own expense. If the accident was not **Your** responsibility then **You** may be able to recover the cost from the other party involved.

How do I inform my Insurer of the accident?

Call the Customer Claim Line telephone number shown on the back cover of this policy. They will arrange for a report form to be sent to **You** for completion and will give **You** initial advice on how the claim may

proceed. If **You** are only reporting an accident and do not intend to make a claim under **Your** policy, it is still necessary to complete an accident report form. **You** should, in these circumstances, place a tick in the box at the top of the form to state that the accident report is for information purposes only.

Your Questions Answered *continued*

As a result of the accident, my vehicle has been damaged - can I go ahead and get it repaired?

If **You** have Comprehensive cover and wish to claim under **Your** policy, specific instructions will be given to **You** when **You** contact the **Administrator** to notify them of the accident. **You** should not authorise repairs without **Our** approval. If **You** are not insured for Comprehensive risks then **Your** own damage is not covered under **Your** policy and **You** are therefore free to arrange repairs, at **Your** own expense, at a garage of **Your** choice. If the accident was not **Your** responsibility **You** may be able to recover the cost from the other party involved.

I have now received a report form - what do I do?

Ensure that **You** complete every question on the form - providing as much detail as possible. Date and sign the form where indicated and return to sender. The processing of many claims is substantially delayed by the policyholder failing to provide full information or omitting to include details requested.

I have received some correspondence relating to the accident - do I answer it myself?

It is a requirement of **Your** policy to notify **Your** Insurer of every letter, claim, writ, summons and any other document that **You** receive. Please forward any correspondence received immediately to **Your** Insurer (do not answer or acknowledge it). **You** must also tell **Us** of any impending prosecution, coroner's inquest or fatal accident inquiry involving any person insured by the policy.

The other party involved in the claim seemed a reasonable person, can I negotiate my claim with them?

No, you should not enter into any negotiation yourself with Third Parties relating to any claim which **You** are making under **Your** own insurance policy.

My vehicle has now been repaired and the garage has asked me to pay them the Policy Excess - should I pay them?

Yes, but only if **You** are satisfied with the quality of the repair. **You** should always obtain a receipt as this will be required if a claim for uninsured losses is to be pursued.

Am I entitled to hire a vehicle whilst my vehicle is off the road?

Not under **Your** policy. If the accident is the fault of someone else and **You** feel it is necessary to hire alternative transport then it

may be possible to recover **Your** outlay against the other party. Just because someone damages **Your Vehicle** it does not necessarily mean **You** can go out and hire another vehicle at their expense.

Your Questions Answered *continued*

Will the accident affect my 'No Claim Discount'?

It is important to appreciate that **Your** Insurer provides a 'no claim discount' - not a 'no blame discount' - for example, if **Your** vehicle is parked and is hit by another vehicle whose driver leaves the scene without providing his name and address then unfortunately if **You** make a claim under **Your** policy (except for windscreen/glass breakage) **Your** entitlement to a 'no claim discount' will be affected. However, this would not have been so if **Your** Insurer had been able to recover their outlay in full from the guilty party. If **You** enjoy 'no claim discount protection' under **Your** policy **Your** entitlement will not be affected provided **You** have not exceeded the permitted number of claims. **You** should refer to the 'no claim discount' clause on **Your** policy **Schedule** and if **You** are in any doubt please ring the **Administrator**.

My windscreen has been smashed - how can I arrange for a replacement?

Provided that windscreen/glass is covered by **Your** policy **You** can:

a) Contact our approved glass repairer for a replacement (refer to Part 5 of this policy). **You** will be required to pay the excess and our

approved glass repairer will invoice **Your** Insurer for the balance. This **Excess** is not payable if the glass is repaired and not replaced.

b) Pay for the repair/replacement and claim back the cost, less the **Excess** from **Your** Insurer. If **You** chose not to use our approved glass repairer then **You** must obtain a claim form from the **Administrator** and then send this to **Your** Insurer, fully completed, together with the receipted account for repair/replacement. **Your** Insurer will then reimburse, less the **Excess**, up to a maximum value of £150 in respect of any one occurrence.

My Insurer tells me my vehicle is a 'write-off' - how much should I settle for?

Many people think that if their vehicle is a 'write-off' they are entitled to sufficient money to be able to purchase a similar vehicle from the Motor Trade. In fact, the basis of motor insurance 'write-off' payment is for the Insurer to pay the Insured the amount of money that could have reasonably been expected for the sale of the vehicle on the open market immediately prior to the damage occurring. If, however, **Your** vehicle is within one year of its first registration by **You** please refer to **Your** motor insurance policy. With certain Insurers **Your** entitlement is limited to the **Market Value of Your Vehicle**. If this limit applies then **Your** policy **Schedule** will have been endorsed accordingly.

The damage to my vehicle is not severe - should I claim?

There are many considerations which **You** should take into account - such as the policy **Excess** which will be deducted, the potential loss of **Your** 'no claim discount', whether or not

the other party is going to claim against **Your** policy - which may affect **Your** discount entitlement. **You** have a duty to inform the **Administrator** of the incident and if **You** have any doubts over whether **You** should claim or not this would be an opportune time to discuss it with them.

Your Questions Answered *continued*

Who will assist me to recover my 'uninsured losses'?

An 'uninsured loss' is as it sounds - a loss sustained for which **You** carry no insurance. Examples of these are: **Your Excess** under a Comprehensive motor policy, damage caused to **Your** vehicle by another party when **You** do not have Comprehensive cover and the hire of another vehicle whilst **Yours** is being repaired.

In the event of a non-fault accident details of **Your** claim will automatically be passed to **Our** solicitors and hire and repair provider to enable them to deal with **Your** claim

In addition a Legal Helpline is available to **You** for advice on any private legal problem by telephoning 0844 770 1061. There is nothing to pay beyond the cost of the call.

In the first instance, do I have to pay for my 'uninsured losses'?

Yes. **You** cannot attempt to recover monies that **You** have not spent. We recommend that **You** keep these expenses to an absolute minimum as **You** may have to establish in Court that they

are fair, reasonable and necessary. Just because someone else damages **Your** vehicle it does not necessarily mean that **You** can go out and hire another vehicle at his or her expense. If it is absolutely necessary to hire another vehicle **You** should not hire an alternative vehicle of similar quality when another vehicle at lower hiring costs will satisfy **Your** needs in the short term.

You should also keep the period of hire to an absolute minimum.

Note: If You have any problems or enquiries please contact the Administrator on their Customer Claim Line telephone number shown on the back cover of this policy.
